

## Towards a Smart and Sustainable Nation

### General Chair

**Prof. Ian MCLOUGHLIN**  
Singapore Institute of Technology

### General Co-Chairs

**Huaqun GUO**  
ITSS Singapore Chapter

**Jianping CHEN**  
Parametric Technology Corporation

### Technical Program Chairs

**Justin DAUWELS**  
Delft University of Technology

**Eyasu Getahun Chekole**  
Singapore University of Technology and Design

### Finance & Sponsor Chair

**Rahul SINGH**  
Continental Automotive Singapore Pte Ltd

### Publication Chair

**Jiqiang LU**  
Beihang University

### Publicity Chair

**Weizhi MENG**  
Technical University of Denmark

### Communication Chair

**Yongqing ZHU**  
Singapore University of Social Sciences  
[ITSSocietySingapore@gmail.com](mailto:ITSSocietySingapore@gmail.com)

### Local Arrangement Chair

**Andrew Keong NG**  
Singapore Institute of Technology

### Workshop Chair

**Maode MA**  
Qatar University

### Special Session Chair

**Basabi Chakraborty**  
Iwate Prefectural University

### International Advisory Committee

**Takako Hashimoto**  
Chiba University of Commerce, Japan

**Meng Lu**  
Peek Traffic B.V., Netherlands

**Cristina Olaverri Monreal**  
Johannes Kepler Universitaet Linz, Austria

**Brendan Morris**  
University of Nevada, USA

**Bozena Pasik-Duncan**  
University of Kansas, USA

**Miguel Ángel Sotelo**  
University of Alcalá, Spain

**Wei-Bin Zhang**  
University of California, Berkeley

The **2021 IEEE International Conference on Service Operations and Logistics, and Informatics (SOLI 2021)** will be held on 11 – 12 December 2021 as an eConference, organized by IEEE ITSS Singapore Chapter.

Service science, service operations, logistics, and informatics are playing an increasingly important role in today's world economy. Information, communication and security technology provides cyber-infrastructure and platforms to achieve more efficient, productive and safe service operations. New types of service offerings are also emerging to meet the needs of Smart Nation. This conference will provide an exciting opportunity for the academic and industrial communities to address new challenges, share solutions, and discuss future research directions towards a Smart and Sustainable Nation.

### Topics interested include but are not limited to the following:

- Architectures, platforms, and solutions of IoT and IIoT
- Artificial Intelligence in Logistic and Sensing Network
- Artificial Intelligence in Cyber Security
- Applications of Data Science in Logistics
- Autonomous Vehicle Technologies
- Big Data and Smart City
- Blockchain
- Business Modeling, Monitoring and Management
- Cloud Computing
- Communication Systems and Networks for Smart City
- Cyber Physical Security
- Cyber Security and Data Privacy
- Electronic Commerce and Knowledge Management
- Information and Communications Technology and Systems
- Intelligent Transportation Systems
- Logistics and Supply Chain Management
- Mobile Internet, Cyber-Physical-Social Systems
- People in Services
- Antenna / RFID Technologies and Applications
- Robotics Technologies
- Security Urban Transportation Systems
- Sensors and Sensing Network for Smart City
- Service Delivery and Operations
- Service Design, Engineering, Operations, and Innovations
- Service/Event Management and Manufacturing
- Smart Home Technologies

### Important Dates

#### Paper Submission Deadline

Notification of Acceptance

Final Submission Deadline

**October 25, 2021**

November 20, 2021

December 1, 2021

The **Best Paper and Best Student Paper** will be awarded during the conference. Registered and Presented papers will be submitted for inclusion into IEEE Xplore and indexed by EI Compindex.
